Product description

Fabric screens

- Made from 25 mm thick fabric-covered particle board with decorative metal end strips. Curved or rectangular design;
- Screens are compatible with desktops 25 mm in thickness and are attached using metal clamps in an aluminium finish. Clamps for individual desks comprise a shaft, ø 5 mm, which penetrates the side of the screen, while clamps for face-to-face desks are of double-jawed design with a central shaft;
- Overall dimensions of rectangular screens: H. 40 cm - W. 120/140/160/180 cm;
- Overall dimensions of curved screens: H. 40/21.2 cm - W. 20/140/160/180 cm.

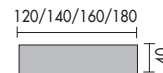

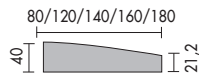

Melamine screens

- Made from 19 mm thick particle board in an aluminium finish. Curved design only;
- Screens are compatible with desktops 19 to 25 mm in thickness and are attached using metal clamps in an aluminium finish;
- Overall dimensions: H. 40/21.2 cm - W. 120/140/160/180 cm.

Altuglas screens

- Made from 6 mm thick altuglas. Curved design only;
- Screens are compatible with desktops 19 to 25 mm in thickness and are attached using metal clamps in an aluminium finish;
- Overall dimensions: H. 40/21.2 cm - W. 80/120/140/160/180 cm.
